## Description

### Sunny hike in Val di Mazia

The hike starts right at the hotel Glieshof. Walk along the green field path, after about 10 minutes you will reach the "Außerglieshöfe". Then cross the bridge over the brook and follow the newly created Waalweg hike, the so called "Matscherhöfeweg", and walk past the Restif and Thial farms. After about 2 hours walking time you will reach the village of Mazia. The comfortable hiking taxi drives back to the hotel 4 times a day, alternatively you can hike back the same way.
