Description

A pleasant hike to the Club Alpino's rifugio at the foot of Palla Bianca (Weißkogel) offering a magnificent view and unique peace

The hiking path takes you across the bridge just below the Glieshof and to the left of the Saldur stream, on a route that takes you below the Malga di Mazia. Follow the signs "Oberetteshütte-Saldurnseen" in a slight descent. Cross the stream and then descend to the valley floor on the right of the stream until reaching the cable car used for transporting goods to the rifugio Oberettes.

Alternatively, you can also follow path n°. 1 directly from the Glieshof as far as the cable car. From here, you can reach the rifugio Oberettes along a wide sloped winding path. The return retraces the same route.
